## PVC Roll Strip Curtains

The ideal factory and warehouse entrance draft and dust excluder

The Watco PVC Roll Strip Curtain is suitable for a wide range of industrial environments. For both internal and external use. Controlling the temperature and reducing dust is often of paramount importance, particularly during the winter and summer months, and it makes the working environment both more comfortable and productive.

- Helps maintain a constant temperature and reduces heating costs
- Restricts air pollutants and dust movement
- Reduces insect nuisance
- Minimises loss of doorway light
- Greatly reduces noise

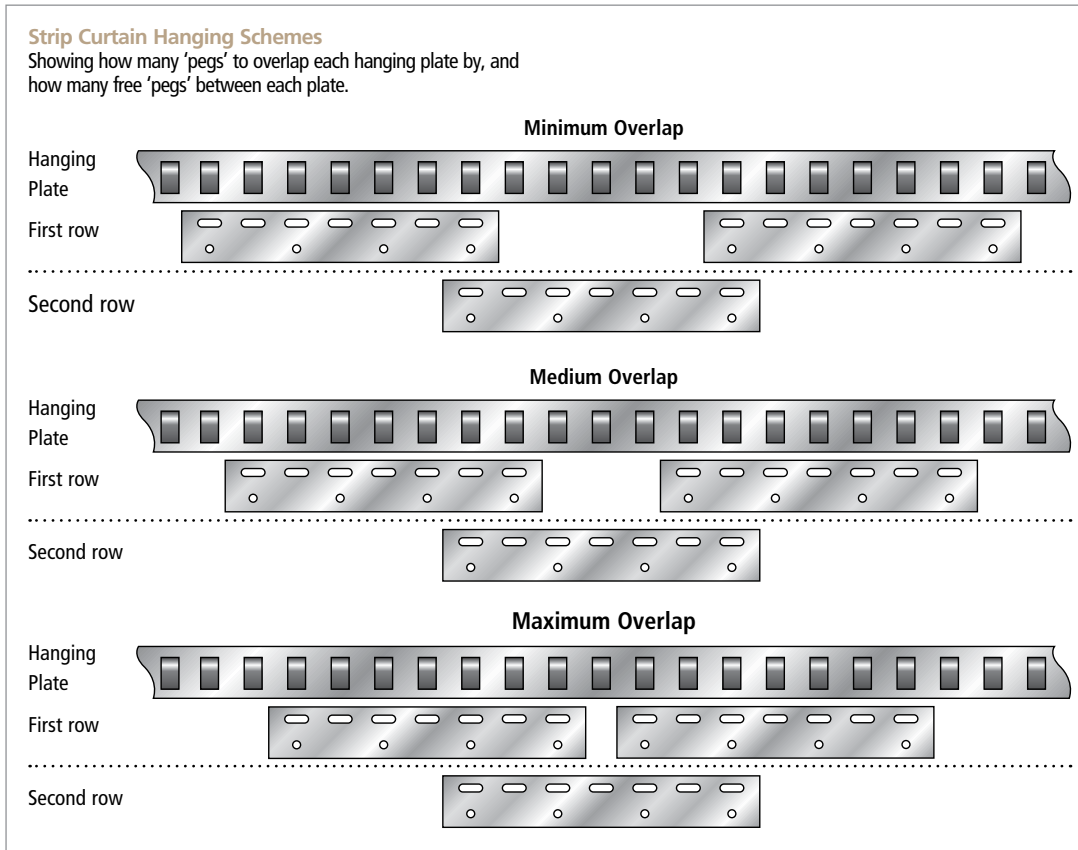

## Watco PVC Roll Strip Curtain

The Watco PVC Roll Strip Curtain is very easily fitted. If you measure your doorway and opening we will cut the PVC strips to size and fit the hanging clamps; all that is required is installation of the hanging rail.

### Quantities required

- 1 Measure total height and width of doorway
- 2 Decide which 'Strip curtain hanging scheme' would be required
- 3 Calculate amount of curtain and fixings that will be required (Please contact us for advise if required).

There is a 7-14 day delivery on this item.
